Miss Hardbroom

Come along, girls. Two in a cauldron! Today we are going to make a laughter potion. You may start now.

Today, girls had a potion test.

Mildred

I think I can remember the spell.

Maud

Their potion was quite bright pink.

I'm sure it should be green!
Maud remembered that Mildred always made the wrong potion.

Um... yes. I am quite sure. Let's add something in it.

So the potion from bright pink changed into dark green.

Ethel's potion is bright pink. Maud's spell was right! I made the potion work!

Oh! What a horror colour!

Now girls, we should test the potion. Please drink a little of it.
All class laugh, except Maud and Mildred.

Why don't we laugh?

I'm sorry. But I think we made the wrong potion.

That's all right.

Maud and Mildred's bodies were disappeared. So Miss Hardbroom shouted at them.

Cauldron number two!

I'm sorry, Miss Hardbroom. That's all my fault.

I think you need to see Miss Cackle again.
