

# A Christmas Card for Scrooge

Dear Mr. Scrooge,

I've enjoyed the most wonderful Christmas in my life this Christmas. Thank you for your Christmas present, a big goose. My family and I enjoyed a fantastic meal and we all chatted long into the night. We are <sup>pleased</sup> ~~pleasure~~ that you become a new man who are full of love and care. You are different from the past! Jesus said, "Do unto others as you would have them do unto you." You are very kind to me. To show my gratitude, I would like to draw a picture for you.

May God bless you!

Yours Sincerely,

Tim
